"Each man is the architect

"The second day of July, 1776, will be the most memorable epoch in the history of America. I am apt to believe that it will be celebrated by succeeding generations as the great anniversary festival."

John Adams

Americans are now celebrating the Bicentennial, "the great anniversary festival." For the past twelve years, we the class of 1976, have learned to respect and honor this country and those individuals who have made possible all the privileges that we enjoy today. Not only have we learned of our national heritage but also of our local heritage. These are the customs and peculiarities that are typical to this locality, making it a very special place. For this reason we have chosen the Bicentennial as the theme of our yearbook.

As our high school days come to an end, it is our hope that we can maintain the qualities that have sustained this country for two hundred years. We can pass on to our children the heritage that has been bestowed on us, and in each his own way influence the history of tomorrow.

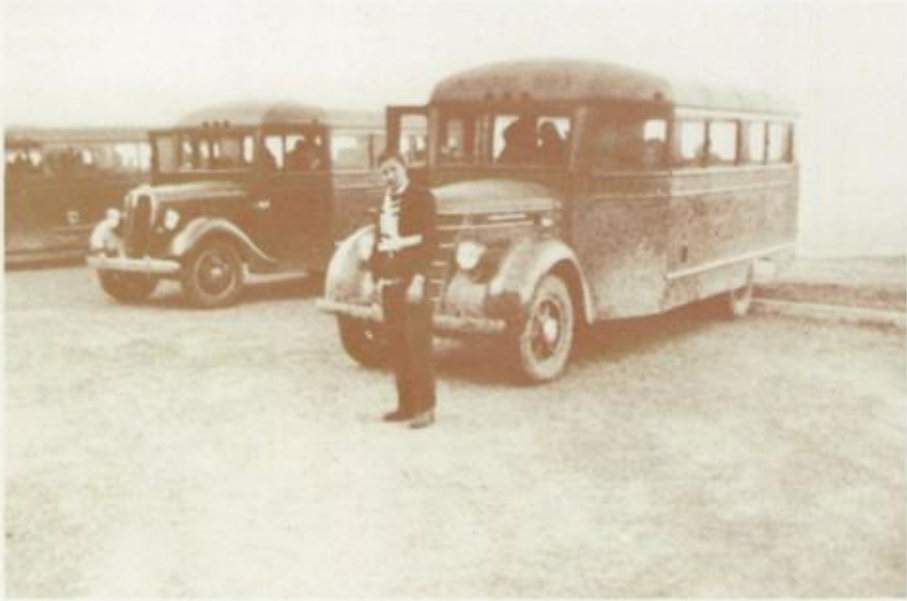

of his own fate."

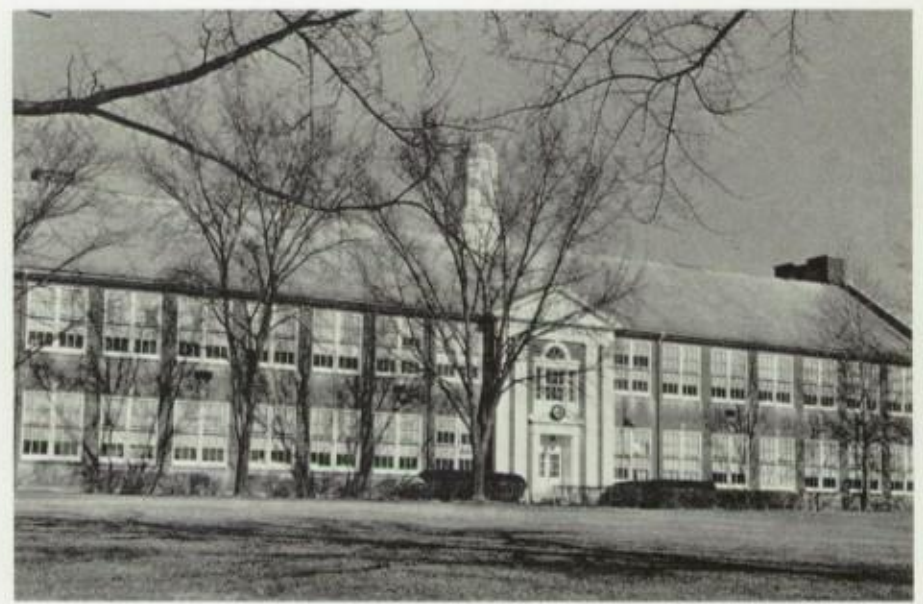

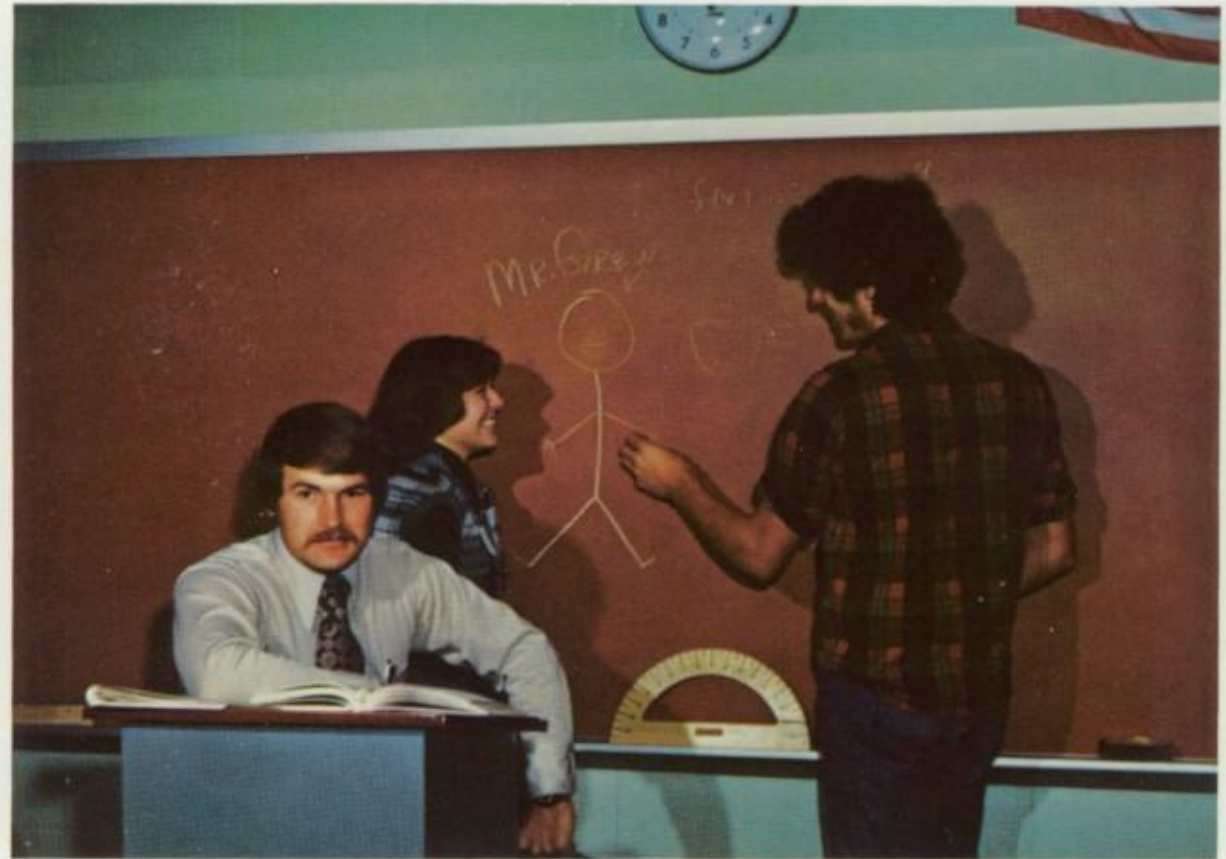

“Education makes a people easy to lead, but difficult to drive, easy to govern but impossible to enslave.”
Lord Brougham

"It is what we have done that makes us what we are."

"A Great man is one whose reputation is exceeded only by his ability."

"Give me a firm spot on which to stand, and I will move the earth."

CLASS HISTORY

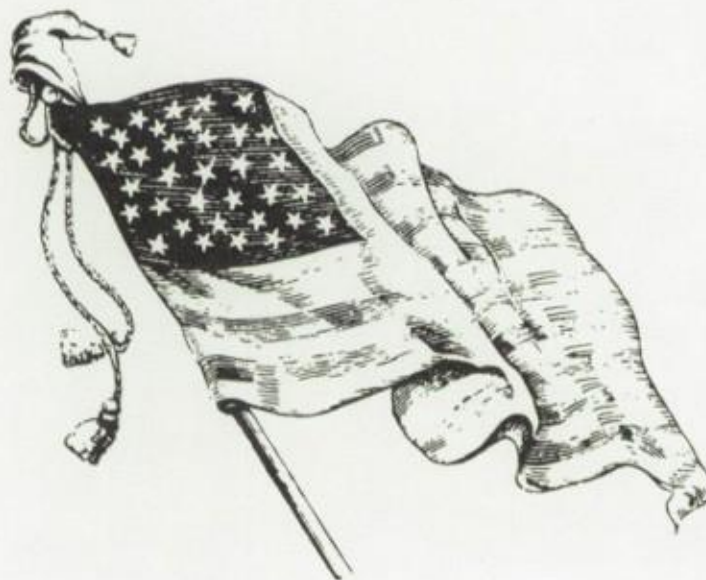

As our high school days began, Darlene Maust and John Baker were named Outstanding Eighth Grade Girl and Boy. The Eighth Grade Math Award went to David Weighley.

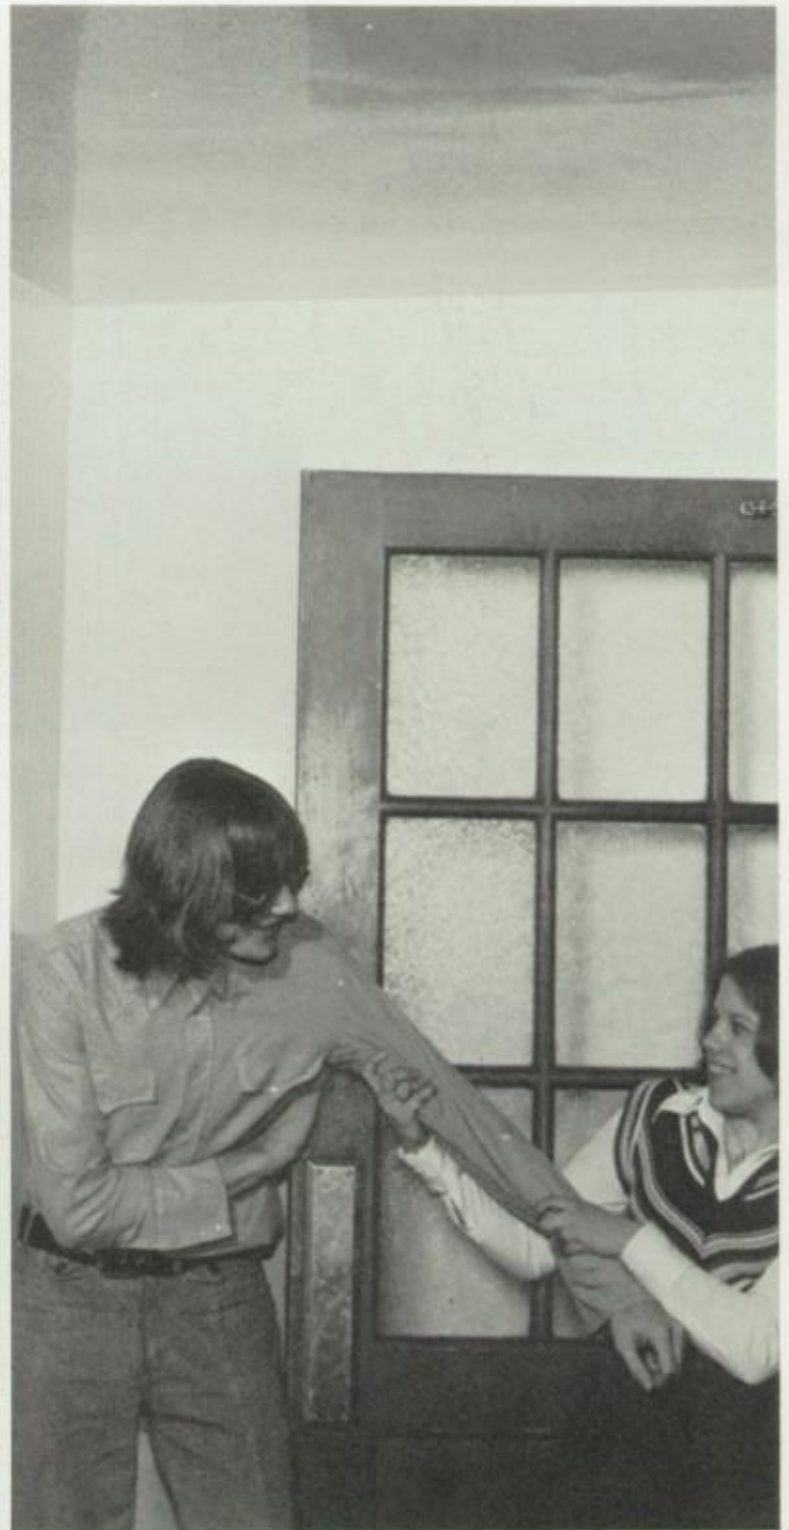

We began our freshman year with the election of class officers. They were Darlene Maust — president, Dave Weighley — vice-president, Terry Rhodes — secretary-treasurer. Lynnette Brant received the Ninth Grade English Award, Garland Hillegass the Star Greenhand Award, and David Weighley the Freshman Drawing Award.

Senior high school began with the election of Terry Rhodes, Dave Weighley, Darlene Maust, and Garland Hillegass as our sophomore class officers. Darlene Maust was our Homecoming Attendant. Lynnette Brant received the World Culture II Award. Debbie Cober, Vicki Leister, and Lynnette Brant were the recipients of the Highest Scholastic Sophomore Award.

Our junior year began with the arrival of our class rings. John Baker was elected class president, Stu Madey — vice-president, Vicki Leister — secretary, and Lynnette Brant — treasurer. To raise money for our class activities we sold magazines. Nancy Hoffman was our Homecoming Attendant. We presented our Junior Class Play, "Tish" on April 10 and 11. On May 17, the Junior-Senior Prom was held at Hidden Valley. The theme was "The Best Of My Love", with Denise Brant as our Junior Attendant.

Dan Suder was elected as president for our final year. Debbie Pritts was vice-president, Terry Rhodes — secretary, and Vicki Leister — treasurer. Pam Brant was selected as Homecoming Queen. Colleen Vaughan and Denise Brant were the Senior Attendants. On November 20 and 21 we presented our Senior Class Play, "Mother Is A Freshman". Our FFA Sweetheart was Darlene Maust. Berlin's Maple Princess, Lynnette Brant, was chosen on November 5. Tammy Horner, Garland Hillegass, and Tim Bruck received the Keystone Farmer's Award. Awards Day was May 14 and Vicki Leister and Debbie Cober were presented awards as co-valedictorian. Our Senior Prom was held at Seven Springs on May 21, with the theme "I'll Still Be Loving You". Baccalaureate was on May 23 and Commencement on May 24; thus our high school days have come to a close. We can look back with many happy memories.

1776 ★ 1976

But it was in making education not only common to all, but in some sense compulsory on all, that the destiny of the free republic of America was practically settled.

Lowell

As we, the class of "76", graduate, we realize that we are unique in that we are ending our high school days in the same year that our country is celebrating its two hundredth birthday. It is our hope that we can continue making our country great through the same virtues that our forefathers possessed.

School has helped to shape these ideals and qualities so important to ourselves, our community, and our country. Our friends have taught us loyalty; our history, a sense of pride; and we have learned tolerance from differences with others. We have obtained knowledge, skills, and the ability to relate to others throughout the past twelve years, and it is our hope that we can continue learning and growing, to insure an even better future than any other generation has ever achieved.
